# Rainy Day Entertainment

*The majority of our programs will operate rain or shine, so make sure you dress for the weather! However, there are a few programs that will be dependent on the weather. Please see the list below to what the changes will be.*

**Lake Day - July 2nd:** Going to the beach is always more fun in the sun. The rain will not stop us from having our beach day though. We will have our own tropical theme day at the Multiplex and finish off by going swimming at the pool.

**Zookeeper For a Day - July 4th :** Rain or shine, we are off to the zoo. If the animals can survive the rain so can you. Make sure to dress for the weather.

**Aerial Amusement - July 8th :** If the weather is poor, we will find a fun indoor activity in Edmonton, such as Launchpad or mini golfing (Depending on availability)

**Fun in the sun - July 10th :** If the weather doesn't cooperate, we'll play some bubble soccer and go for a swim at the Multiplex!

**Epic Warrior - July 16th:** Kung Fu is something we can also do inside. This program will just be moved to the Multiplex for the day.

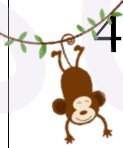

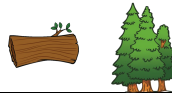

**Wilderness Scavenger Hunt - July 18th:** We will scavenge around inside the Multiplex instead so we can hide from the rain!

**Camping Craze - July 24th-26th:** Nothing will stop us from our camping trip. Part of being in the wild is facing the natural elements.

**Water wars - August 9th:** Instead of having a water fight outside, we'll do some relays and play capture the flag inside the Multiplex.

A photograph of a student with long blonde hair, wearing a maroon hoodie, sitting at a desk in a classroom. She is looking at a laptop screen and has her hands on the keyboard. In the background, other students are visible, and a teacher is standing at the front of the room. The overall scene is a typical classroom environment.
